MEET THEIR MAKERS – Bears on Broadway hosts a second “Meet the Artist” afternoon

Due to the success of the first “Meet the Artist” event in June, once again more than 20 Manitoba artists will be joining their Bears on Broadway to meet with their many fans to talk about their designs and themes.

Sponsored by the CancerCare Manitoba Foundation, the event is intended to celebrate the artists and their work and give an eager public the opportunity to meet them.

Artists will be out on Broadway with their Bears on:

**Sunday, September 11
from noon until 3 p.m.
Weather permitting**

The “Meet the Artist” event is also featuring souvenir posters and T-shirts. Proceeds from the \$10 poster and \$20 T-shirt will help the CancerCare Manitoba Foundation support projects like upgrading mobile breast screening units, continuing to support clinical trials and assisting patient programs like the Guardian Angel Caring Room and the Patient and Family Resource Centre.

Posters and T-shirts will be available September 11, 2005 at Broadway & Fort St. and at Broadway & Memorial Blvd.

The Bears will be on display until October 22, 2005.
